1. INTRODUCTION

Annual Safety Report

The Annual Safety Report is required pursuant to Part II Section 87 of the Oil and Gas Drilling and Production Regulations:

The Operator shall ensure that, not later than March 31 of each year, an annual safety report relating to the proceeding year is submitted to the Board and includes:

- (a) a summary of lost or restricted workday injuries, minor injuries and safety-related incidents and near-misses that have occurred during the preceding year; and*
- (b) a discussion of efforts undertaken to improve safety.*

Fort Liard (2620-D-12-23 & 2520-D-12-4)

This area is not producing, and the production operations have been suspended. Affected parties' consultations, suspended well inspections and environmental monitoring was conducted in 2021.
