Dear John Hawkins:

Review: 2021 Annual Safety Report Paramount Fort Liard

On May 30, 2022, Paramount Resources Ltd. (Paramount) submitted its 2021 Annual Safety Report regarding operations conducted under Paramount's Production Authorization that includes the Fort Liard field.

The annual safety report, required by section 87 of the *Oil and Gas Drilling and Production Regulations* (OGDPR), must include a summary of lost or restricted workday injuries, minor injuries and safety-related incidents and near-misses and a discussion of efforts undertaken to improve safety.

The Office of the Regulator of Oil and Gas Operations has reviewed Paramount's 2021 Annual Safety Report for operations for the Fort Liard field and is satisfied that it meets the requirements of section 87 of the OGDPR.

Sincerely,

Michael Martin
Chief Safety Officer
